

Eurofins Services

Mix2Seq

Part ID	Description
3094-000MSK	Mix2Seq Kit
3094-00NMSK	Mix2Seq Kit NightXpress
3085-0000SR	Mix2Seq Rack - 96well rack for Mix2Seq tubes
3085-0000SC	Mix2Seq Cap Pad - Yellow lids for 96 Mix2Seq tubes

TubeSeq Service

Part ID	Description
3094-000PPB	TubeSeq Labels (Prepaid barcodes for the TubeSeq Service)
3094-000CPT	TubeSeq Coupons (Prepaid electronical codes for additional reactions)
3010-000SRT	Sequencing Reaction Tube (Non-prepaid)
3050-0PCRPT	PCR Purification Tube
3050-0MINPT	Mini Prep Tube
3080-000CAT	Concentration Adjustment DNA
3080-000PRT	Power Read Upgrade (Special sequencing conditions)

PlateSeq Service

Part ID	Description
3094-000PPM	PlateSeq Kit Mix - for premixed samples
3094-000NPM	PlateSeq Kit Mix NightXpress - for premixed samples
3094-000PPD	PlateSeq Kit DNA - for purified DNA samples
3094-000PPC	PlateSeq Kit Clones - for bact. clones incl. DNA preparation
3094-000PPP	PlateSeq Kit PCR - for unpurified PCR products incl. PCR purification
3094-000CPP	PlateSeq Coupons - for purified DNA, premixed samples or 2. read
3020-000SRP	Sequencing Reaction Plate (Non-prepaid)
3080-000PRP	Power Read Upgrade (Special sequencing conditions)
3050-0PCRPP	PCR Purification Plate
3050-0MINPP	DNA Preparation Plate (Mini Prep)
3085-X000PP	Refund using our PCR Plate
3085-X000AP	Refund using our Agar Plate

Direct Colony Sequencing Service

Part ID	Description
3094-000CSP	PlateSeq Kit Colony - Prepaid plate kit for direct colony sequencing
3020-00DCSP	Direct Colony Sequencing Plate (Non-prepaid)
3085-X00CSP	Refund using our ColonySeq Plate

Ready2Load

Part ID	Description
3010-000RRT	ABI Run Tube (Incl. dye terminator removal)
30PS-000RRP	ABI Run Plate (Incl. dye terminator removal)

Sequencing Primer

Part ID	Description
3070-000SPT	SeqPrimer Synthesis
3080-000EPS	Extended Primer Storage for 1 Year

Sequencing Accessories

Part ID	Description
3085-000FBL	Tube Labels - for labelling samples & primers in tubes
3085-000FPL	PlateSeq Labels - for labelling own 96well plates
3085-0000TB	Tube Bags - paper bag for samples and primers in tubes
3085-00000B	Sample Boxes - paper boxes for samples in tubes and plates
3085-0000PP	96well PCR Plate, full skirted with barcode label
3085-0000AP	96well Agar Plate, full skirted with barcode label
3085-000CSP	96well ColonySeq Plate, full skirted with barcode label
3085-0008CS	8-Cap Strips (12 pieces per bag)
3085-000APF	Adhesive Plastic Foil (10 pieces per bag)

GATC Services

LightRun

Part ID	Description
50200200	LightRun Tube Barcode
50300300	LightRun Tube NXP Barcode
51500500	LightRun 96 Barcode
3094-00384P	LightRun 384 Echo Plate

SupremeRun

Part ID	Description
50100100	SupremeRun Tube Barcode
51400400	SupremeRun 96 Barcode
20120001	SupremeRun Tube
23110011	SupremeRun 96
23140001	SupremeRun Multiprimer
21110037	PCR Purification Tube
21110038	DNA Preparation Tube
21110043	PCR Purification 96
21110044	DNA Preparation 96
21110041	PCR Purification Multiprimer
21110042	DNA Preparation Multiprimer
22120001	Primer Synthesis

Primer Walking Service

Part ID	Description
3010-00PWSS	Single Strand Sequencing
3010-00PWDS	Double Strand Sequencing
3050-0PCRPT	PCR Purification Tube
3050-0MINPT	Mini Prep Tube
3080-000REP	Comprehensive Report
3080-000QCT	Quality Control of sample material
3080-00FREF	Comparison to reference sequence

Sequencing Projects

Part ID	Description
3030-000RSP	Re-Sequencing Project
3030-000GLP	GLP Sequencing Project
3030-000CPP	Custom Plate Project

Shipping Accessories

Part ID	Description
3085-000HSB	Handy Sample Bags (padded envelopes with lab address)
3085-000ASG	Address Sticker
3080-00UPSL	UPS Shipping Kit (labels and envelopes)
3080-00DHL	DHL Shipping Kit (labels and envelopes)

Make use of our DropBoxes in various locations for free sample pick up, or use our accessories for sample shipment.

A handling fee will be charged for sample tubes without barcode labels.
